

The 15th World Firefighters Games

**September 7 - 14
2024**

**WORLD
FIREFIGHTERS
GAMES 2024**
AALBORG  DENMARK

Welcome to Aalborg

It is a great honour for the City of Aalborg to invite you to the 15th World Firefighters Games 2024.

Throughout the years, Aalborg has successfully hosted numerous large international and national events. Our success is a result of the city's high standard infrastructure and facilities, but also our focus on people coming together in the spirit of friendship, family and cultural exchange.

Therefore, I am happy to acknowledge that by hosting the 15th World Firefighters Games, the citizens of Aalborg will have the unique opportunity to witness and be a part of the strong international friendships amongst firefighters and their families all over the world.

We are certain that the Games in Aalborg will live up to the high standards of the World Firefighters Games, and we will do our utmost to make your visit an unforgettable and positive experience.

We look forward to welcoming you to Aalborg for the 15th World Firefighters Games 2024.

Thomas Kastrup-Larsen

Mayor of Aalborg

Aalborg - a city of culture and sports

When visiting Aalborg you will experience a plethora of culture, sports and recreation. From the cultural hub in the city's old power plant, Nordkraft to the beautiful surroundings along the Limfjord there is never a dull moment.

Aalborg is ideally situated by the Limfjord, which creates a natural gathering point for the people in Aalborg. The city in general and the harbour front is full of recreational areas and parks where you can enjoy the view or hang out with friends and family.

It is in close proximity to the city centre where you will find everything from shopping, great restaurants and a hopping bar scene.

Aalborg has a long and great sports tradition. We take pride in both our elite teams but also in the many citizens of Aalborg who are members of one of the many local sport clubs, not only to practice sports but also to enjoy the community spirit they can experience there.

Aalborg is the largest city in North Denmark and it is easy to get to the entire northern region with either bus or train. You can visit beautiful beaches or go to Skagen, the northernmost point in Denmark where the two seas, Kattegat and the North Sea meet.

Whether you enjoy nature experiences or the excitement of the big city, Aalborg is the place to go.

How to get to Aalborg

Aalborg is located in the Northern part of Denmark - North Jutland. Aalborg is easy to reach from the rest of Denmark, Scandinavia and Europe by plane, train, bus or car.

Aalborg Airport offers daily flights to and from the airports in Copenhagen, Amsterdam, Barcelona and London from where you can reach other international airports directly.

You can reach Aalborg by car from the north as well as the south via motorway E45.

Aalborg Denmark

Social events

During the World Firefighters Games 2024, you can take part in an exciting social and cultural programme. You can join your fellow firefighters for the opening and closing ceremonies and experience concerts and cultural performances in Games Village.

The opening ceremony and concerts and cultural performances will also be open to the public.

In between sports, it will be possible to go on city tours to the sights of Aalborg and Northern Denmark or just enjoy the many other events going on in the many parks and squares in the city.

Accommodation

During the World Firefighters Games 2024, hotels and youth hostels in the city of Aalborg and the surrounding areas will be able to accommodate the thousands of participants, officials and spectators. Many of Aalborg's hotels are in the picturesque surroundings by the Limfjord, which since the foundation of Aalborg has been the heart of the city.

Accommodation options will be presented on the website with information regarding price and facilities, including information on how to make reservations.

Eligibility

The World Firefighters Games allows entrants that are full-time, part-time, retired, support staff, volunteer, as well as families of fire service personnel to enter.

Entry Fee

Competitors US \$ 200
Non-competitors US \$ 85
